ANNUAL REPORT

2025

LET'S REFRAME INC.

THE YEAR IN BRIEF

2025 was a year of growth for our books and of preparation for the next phase of PRETERM BIRTH.

GROWING TOGETHER

We published our four books in Portuguese and Dutch, and “At the Theater” in English, about a boy with autism and a caring friend on a first visit to the theater. We prepared “At the Playground”, which follows a boy with cerebral palsy to the playground, and opens a conversation with children about differences and what they bring when we understand and accept them. We looked for outside funding to print both new books in Serbian.

PRETERM BIRTH

The incubator we donated in 2024 kept caring for 55 babies in 2025 at the University Clinical Center Kragujevac. We began preparing the next phase, transport incubators for smaller hospitals in Serbia, and applied to be the beneficiary of the Serbian Philanthropic Gala.
